

# POWRLINER 3500

The PowrLiner 3500 was developed specifically for continuous daily use on asphalt, sports line marking and grassed areas delivering a spray pattern just like a hydraulic pump. It's the

perfect line marking machine for companies looking for a mid range sprayer. It's more suited to jobs where a hydraulic pump wouldn't be considered economical.

Powered by **HONDA GX120 ENGINE**

- Exceptionally quiet
- Smooth performance with lower vibration
- Low oil alert prevents engine seizure

**LARGE 16" PNEUMATIC TYRES**  
Increases portability and makes traveling over rough surfaces easier
